Children with Education, Health and Care Plans

Children with an Education, Health and Care Plan issued by a local authority naming a specific school will be admitted before preferences are considered for admission in September.

Local Authority Co-ordinated Admissions Schemes

All schools within Castleman Academy Trust fully participate in their Local Authority’s published co-ordinated admission schemes.

Entry to Reception including deferred entry (not relevant to Middle Schools)

All children can start in Reception on a full-time basis in the September following their fourth birthday. Parents/carers may discuss with the Headteacher as to whether their child should start on a part-time basis, but the final decision will rest with the parent/carer of the child. Children may attend part-time until later in the school year but not beyond the point at which they reach compulsory school age (by the start of the term following their fifth birthday).

For children born between 1 September and 31 March, parents can defer the date their child starts school until later in the school year but not beyond the point at which they reach compulsory school age (i.e. by the start of the term following their fifth birthday.) For children born between 1 April and 31 August, parents can also delay their child’s start date; but not beyond the beginning of the final term of the school year (i.e. the term that starts after the Easter/Spring holidays) for which the offer was made.

The school place cannot be deferred until the following academic year – it must be taken up in the academic year for which it is offered. Parents and carers who do not take up the offer of a place during the Reception year will need to reapply for a school place the following year. Places offered but not taken up by the beginning of the final term (i.e. the term that starts after the Easter/Spring holidays) will be withdrawn.

If parents/carers want to apply for the following year they would normally be expected to apply for a place in Year 1. Parents and carers need to be aware that Year 1 in the school they were originally offered could be full at this stage.
Applications for a place in any year group different to that determined by date of birth

Applications for children to be educated in a year group different to that determined by their date of birth, including delayed admission to reception for summer born children, will be considered on their individual merits by a panel, appointed by the Trust Board, involving the Head Teacher of the school.

The placement of a child outside their normal age group is not usually an appropriate measure for meeting special educational needs. This is in recognition of the significant and long-term impact on children who are placed outside of their normal year group.

Parents considering this are advised to contact the school at the earliest possible opportunity (preferably before 31 October 2023) to ensure a decision has been made by the Trust before the national closing dates (15 January 2024 for Reception and Year 5; 31 October 2023 for Year 7).

Excepted pupils for infant classes (Years R, 1 and 2) (not relevant to Middle Schools)

An infant class may exceed 30 children with a single school teacher in limited exceptional circumstances. These are when the pupils are:

- Children admitted outside the normal admissions round with an Education, Health and Care Plan specifying a school;
- Looked After Children and Previously Looked After Children admitted outside the normal admissions round;
- Children admitted, after initial allocation of places, because of a procedural error made by the admission authority or local authority in the original application process;
- Children admitted after an independent appeals panel upholds an appeal;
- Children who move into the area outside the normal admissions round for whom there is no other available school within reasonable distance;
- Children of UK service personnel admitted outside the normal admissions round;
- Children whose twin or sibling from a multiple birth is admitted otherwise than as an excepted pupil;
- Children with Special Educational Needs who are normally taught in a special educational needs unit attached to the school, or registered at a special school, who attend some infant classes within the mainstream school.

In these circumstances a child admitted is an ‘excepted child’.

In Year Fair Access

Castleman Academy Trust schools fully partake in the relevant Local Authority’s In-Year Fair Access Protocol. The purpose of the Protocol is to ensure that – outside the normal admissions round – unplaced children, especially the most vulnerable, are offered a place at a suitable school as quickly as possible. Cases are considered by a Panel comprising Headteachers and/or their representatives. Decisions of the Panel may mean that individual schools admit children above the Published Admission Number. Admission authorities will not normally be asked to admit a child to an infant class where there are already 30 children in the class.
In-year admissions – Looked After Children

A Looked After Child (see Notes) may be admitted to Castleman Academy Trust Schools above the Published Admission number if it is felt by the local authority that a particular school is the most appropriate placement to meet the needs of the individual child. The Local Authorities have adopted a Protocol for dealing with in-year admissions of Looked After Children.

Home Address

The home address where a child lives is considered to be a residential property that is the child’s main or only address during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the Trust what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the Trust. If any information supplied by an applicant is judged by the Trust to be fraudulent or intentionally misleading, the Trust may refuse to offer a place, or if already offered, may withdraw the offer.

Change of Address for Main Entry applications

When applying for point of entry, Castleman Academy Trust Schools will not accept a change of address once the national closing date has passed. The national closing date for point of entry to Reception is 15 January and for point of entry to Year 7 is 31 October. This means that if your moving date is after the closing date, we will use your old address to categorise your application. You will need to tell us your new address so we can update your child’s record. If you move house after you have submitted your application but before the national closing date, the main allocation will be based on your address at the closing date, and the address will be updated on any waiting list from national offer day, should you not initially have been offered a place. The relevant date for the house move is (if purchasing) exchange of contracts occurring on or before the closing date; (if renting) signed tenancy agreement which commences on or before the closing date.

Applications from separated Parents/Carers

Only one application can be considered for each child. Where parents/carers are separated it is essential that agreement is reached by both parties concerning the nominated preferred schools. Where a child spends part of their week with one parent and part with the other, only one address can be used. This must be the address at which the child spends most of their time during term time. Applicants can be asked to provide additional evidence in order to verify addresses and/or other details provided. It is at the discretion of the Trust what evidence is required (evidence may include, but is not limited to, Child Benefit, GP registration, evidence of home ownership/tenancy etc.). The final decision on the home address of a child will be made by the Trust. If any information supplied by an applicant is judged by the Trust to be fraudulent or intentionally misleading, the Trust may refuse to offer a place, or if already offered, may withdraw the offer.

Applications for children of multiple births

If there are insufficient places to accommodate all the children of a multiple birth (i.e. twins, triplets etc) in any year group and one child can be admitted, the other siblings of the multiple birth will be admitted over the school’s Published Admission Number. If it is in an infant class (Years R, 1 and 2) the additional children over the PAN will be considered as excepted pupils for the entire time they are in an infant class at the school or until the class numbers fall back to the infant class size limit in accordance with the School Admissions Code.
Waiting Lists – schools within Bournemouth, Christchurch, Poole Local Authority

Where a waiting list is held for places at Castleman Academy Trust schools, all waiting lists will cease on the 31 August annually. Parents wishing to remain on the waiting list for the following school year must submit a new application from 1 June. There is no guarantee of a school place by remaining on the waiting list.

Waiting Lists – schools within Dorset Local Authority

The local authority operates a limited waiting list policy. Parents can apply to have their child’s name placed on a waiting list for a period of one term following a refusal. If parents wish to keep a child on a waiting list beyond this term, they will need to write in for an extension. There is no guarantee of a school place by remaining on the waiting list.

Notes to Over-Subscription Criteria

The criteria to be used in the event that a school is oversubscribed are set out in the relevant school’s appendix to this policy. These explanatory notes relate to all schools’ over-subscription criteria.

1. A “Looked After Child” means any child who is in the care of a local authority in accordance with Section 22 (1) of the Children Act 1989. A child who was “previously a Looked After Child” means a child who, after being Looked After, became subject to an Adoption Order under the Adoption Act 1976 or under Section 46 of the Adoption and Children Act 2002, a Residence Order or Child Arrangement Order under Section 8 of the Children Act 1989 or Special Guardianship Order under Section 14A of the Children Act 1989. This category also includes Internationally Adopted Previously Looked After Children (IAPLAC). These are also children outside of England, who were deemed to have been in the care of the State (or by the third sector where no state provision is available) prior to their adoption.

Applicants can be asked to provide additional evidence in order to verify the previously looked after status of a child. It is at the discretion of the Trust what evidence is required. The final decision will be made by the Trust. If any information supplied by an applicant is judged by the Trust to be fraudulent or intentionally misleading, the Trust may refuse to offer a place, or if already offered, may withdraw the offer.

2. A child is regarded as having been in state care in a place outside of England if they were accommodated by a public authority, a religious organisation or any other provider of care whose sole purpose is to benefit society. Applicants can be asked to provide additional evidence in order to verify the previously looked after status of a child. It is at the discretion of the Trust what evidence is required. The final decision will be made by the Trust. If any information supplied by an applicant is judged by the Trust to be fraudulent or intentionally misleading, the Trust may refuse to offer a place, or if already offered, may withdraw the offer.

3. “Sibling” means:
   - a full brother or sister who lives with one or both parents or carers in the same property during the school week.
   - a half-brother or half-sister who lives with one or both parents or carers in the same property during the school week.
   - an adoptive brother or sister who lives with one or both parents or carers in the same property during the school week.
- a foster brother or sister who lives with one or both parents or carers in the same property during the school week.
- non-blood related children who, together, all live with one or both parents or carers in the same property during the school week.

4. **Calculation of Distance**

**Schools in Bournemouth, Christchurch, Poole Local Authority**

4(a) The distance from home to school is measured using the shortest, safe and practicable walking route using the centre line of roads and footpaths (excluding paths identified for the sole use of bicycles i.e. cycleways). Roads and footpaths measured are normally public. If your property is only accessible via a private road or footpath, this road or footpath may be included in the measurement.

The starting point for the measurement is taken from your home address. This has been geolocated using the geocoded address point obtained from the local authority’s Local Land and Property Gazetteer. The total distance measured is a combination of 2 measurements using 3 points:

i) Geocoded home address point
   -to-
ii) Centre of nearest road/footpath
   -to-
iii) Nearest approved school access point that is for use by pupils

All measurements are obtained from the local authority’s Admissions System. The GIS maps used are provided by Ordnance Survey and represent the position as at the beginning of the annual admission cycle i.e. September in the year prior to admission. Any alterations to Ordnance Survey map references, footpaths or roads added after this time will not be taken into consideration. No measurements obtained through other sources (e.g. search engines, mapping systems) will be accepted.

4(b) For applicants living on islands or residing permanently on a boat within Poole harbour, the distance measurement will be a straight line from the geocoded home address point to either:

1. the nearest public landing steps at Poole Quay, or
2. a point on the mainland that the applicant proves to the satisfaction of the local authority that he/she can access

The total distance measured is a combination of 3 measurements using 4 points:

i) Geocoded home address point
   -to-
ii) Public landing steps or other approved access point on the mainland
   -to-
iii) Centre of nearest road/footpath
   -to-
iv) Nearest approved school access point that is for use by pupils
4(c) If an applicant advises the Trust that the child would or could use the Sandbanks/Studland Chain Ferry in the journey to school, then the distance will be measured on that basis from the geocoded home address point and will include the distance travelled by the ferry.

4(d) Schools in the Dorset Local Authority

If over-subscribed within any of the priority order categories, places will be allocated on the basis of the shortest straight-line measurement using a geographical information-based system which identifies an Easting and Northing for the home address and the school and calculates the distance between the two locations.

5. If there are insufficient places to accommodate all applicants and the distance criterion is used, the school will use random allocation for applicants living an equal distance from the school (up to three decimal points) or at the same address or in the same block of flats who are eligible for the remaining places. Applicants will have their names drawn as lots to see who should be offered the place(s). The person drawing the names will be an officer within school who has no involvement in the admissions process.

6. Staff are defined as all employed teaching and support staff at the preferred school. ‘Children of staff’ refers to situations where the staff member is the natural parent, the legal guardian or a resident step parent. If applicants wish to be considered under this criterion then a letter from the Headteacher confirming the above applies to the applicant must be provided at the time of application.
