

CASTLEMAN ACADEMY TRUST REMIT OF THE MEMBERS

The Members ensure that the Castleman Academy Trust is fulfilling the purposes for which it was set up, namely the education, safety and well-being of children attending their schools.

They have a deep understanding of the purposes of the Trust, help plan what the priorities of the Trust will be and what we want it to achieve. They must ensure that the Trust complies with its governing document and that it complies with charity law requirements and other laws that apply to the Trust.

Our members ensure that our Trust manages its resources responsibly. They must:

- Ensure that the Trust's assets are only used to support its work and purpose;
- Ensure that the Trust avoids exposing the Trust's assets, beneficiaries or reputation to undue risk;
- Not over-commit the charity;
- Take special care when investing or borrowing;
- Comply with any restrictions on spending funds or selling assets.

Our members have independent control over, and legal responsibility for, the Castleman Academy Trust's management and administration, in an unpaid capacity.
